
Third Meeting, 12th January, 1900.

R. F. MUIRHEAD, Esq., M.A., B.Sc., President, in the Chair.

On the Dissipation of Energy in Vibrating Matter.
By Dr PEDDIE.

The Society adopted the following motion, proposed by Dr MACKAY and seconded by Mr ALISON:—

“The Edinburgh Mathematical Society resolves that Professor GIBSON’s paper on Proportion, in the final form which he has now given to it, be printed in its *Proceedings*, and recommends it to Mathematical Teachers as a suitable and sufficient substitute for Euclid’s Fifth Book.”

Professor GIBSON’s paper is printed as an Appendix to this Session’s *Proceedings*.
