THE REVIEW OF POLITICS

## "Non-Western" Political Thought

## Special Issue

The *Review of Politics* plans to publish in the summer of 1997 a special issue on contemporary "non-Western" political thought. The issue will focus on contributions deriving from, or inspired by, the philosophical traditions of the Middle East, South Asia, and East Asia. We welcome manuscripts exploring the relevance of these traditions to contemporary theoretical and practical-political issues or comparing these traditions among themselves or with other world traditions. We encourage letters (preferably with a brief abstract) indicating an intention to submit a manuscript. Manuscripts should be received by January 15, 1997.
