CAMBRIDGE
UNIVERSITY PRESS

Scottish Journal of Theology is an international journal of systematic, historical and biblical theology. Since its foundation in 1948, it has become established as one of the world's leading theological journals. As well as publishing original research articles, most issues contain an article review consisting of an article-length review of a recent book with a reply from the author. *Scottish Journal of Theology* provides an ecumenical forum for debate, and engages in extensive reviewing of theological and biblical literature.

Instructions for Contributors

Books for review should be sent to Professor Iain Torrance, *Scottish Journal of Theology*, Princeton Theological Seminary, 64 Mercer St, P. O. Box 821, Princeton, NJ 08542-0803, USA.

Articles for *Scottish Journal of Theology* must be submitted electronically as well as in hardcopy. One copy of a proposed article should be submitted in hardcopy with an accompanying disk or email attachment to:

Professor Iain Torrance, *Scottish Journal of Theology*, Princeton Theological Seminary, 64 Mercer St, P. O. Box 821, Princeton, NJ 08542-0803, USA.

A second hardcopy of a proposed article should be sent to:

Professor Bryan Spinks, Institute of Sacred Music, Yale University, 409 Prospect Street, New Haven, CT 06511-2167, USA.

- The authors of articles should send an email address to Professor Torrance at sjt@ptsem.edu, and their submission will be acknowledged in that format.

- Submission of a disk or attachment is essential, as the article will be sent to international referees by email. The very much preferred format is MS Word. Material which is not accepted for publication will not be returned.

File names: SJT Smith.doc should be used.

- The average length of articles is 5–6000 words. Those in excess of 8000 words cannot be considered. Shorter articles are easier to schedule and will be published more quickly. Articles should be formatted with footnotes (not endnotes). Single quotation marks should be used for quotation, and double quotation marks for quotation within a quotation.

- Disks, once submitted, will be understood to contain the final form of an article, and if the article is accepted, a first proof will be produced from the author's disk (with minor editorial emendations). No further revisions or additions should then be made by authors.

- Submission of an article is taken to imply that it has not been previously published in English, and is not being considered for

publication by another journal or as part of a book.

- First proofs of articles (but not reviews) will be sent to authors for correction, and must be returned to the editor Iain Torrance within four days of receipt. Corrections should be confined to typographical errors. Other corrections may be made only with the concurrence of an editor.

- Greek and Hebrew words, which should only be used sparingly, need not be transliterated. Capitalisation should be kept to a minimum, and in particular should not be used in pronouns referring to God.

- Contributors of articles, article reviews and book reviews will receive a pdf of their composition without charge.

- It is a condition of publication in *Scottish Journal of Theology* that authors assign copyright to *Scottish Journal of Theology* Ltd. This ensures that requests from third parties to reproduce articles are handled efficiently and consistently, and will also allow the article to be disseminated as widely as possible. In assigning copyright, authors may use their own material in other publications, provided that SJT is acknowledged as the original place of publication.

Neither the editors nor *Scottish Journal of Theology* Ltd necessarily endorse every proposition expressed in the journal. Authors retain responsibility for any defamatory statements or untruthful claims which they may make.
