

NOTICE TO CONTRIBUTORS

1. Scope of the journal

Papers may deal with any aspect of tropical ecology, and both those devoted to the results of original research as well as those which form significant reviews will be considered. Generally, papers should not exceed 5000 words of text.

Short Communications are acceptable and will be printed at the back of each number. They must not exceed four printed pages in total length. *Notes* up to one page long will also be considered.

Books for review should be sent to the Editor.

2. Preparation and submission of manuscripts

Detailed instructions for the preparation and submission of Papers, Short Communications and Notes are printed at the back of each part of Volume 1 and of Part 1 of each subsequent volume. Potential contributors are advised that careful attention to these instructions will greatly assist the Editors and thus speed the processing of their manuscripts.
