As Chair of the CAEP Research Committee, it is my pleasure to introduce the dedicated team of volunteers who made CAEP's 2015/16 Grant and Abstract Competitions such a huge success. With their support, we were able to grow the annual CAEP research competitions, which included 61 grant applications and 300 abstract submissions. We could not have achieved this without the support of our volunteers and our generous EM Advancement Fund (EMAF) donors.

Sincerely,  
Jeff Perry, MD, MSc
