

## PREFACE

The present volume contains the 2021 judgment on the merits of the International Court of Justice in *Maritime Delimitation in the Indian Ocean (Somalia v. Kenya)*. Devoted to international jurisprudence, this volume also contains the 2021 decision of the International Criminal Court on the request for a ruling on the Court's territorial jurisdiction in Palestine (*Situation in the State of Palestine*), the 2019 orders on provisional measures of the International Tribunal for the Law of the Sea in the *M/T "San Padre Pio" Case (Switzerland v. Nigeria)* (together with the 2021 discontinuance order) and in the *Case concerning the Detention of Three Ukrainian Naval Vessels (Ukraine v. Russian Federation)*, together with the 2022 arbitral award on the preliminary objections of the Russian Federation in respect of a *Dispute concerning the Detention of Ukrainian Naval Vessels and Servicemen*.

The Editors wish to thank the many people whose work has made this volume possible. Dr Massimo Lando undertook the major task of preparing the summaries of the cases from the International Court of Justice and the International Tribunal for the Law of the Sea and Dr Stella Margariti wrote the summary of the decision of the International Criminal Court. Ms Karen Lee saw the volume through the press. Ms Nahide Basri, the ILR Editorial Assistant, prepared the Tables of Cases and Digest. Mrs Rowena Gavars compiled the Table of Treaties and Index. Mrs Alison Tickner checked the copy and Mr Jack Webb read the proofs.

The Editors are very grateful to the International Court of Justice, the International Criminal Court (which owns the copyright in its material ©ICC-CPI) and the Permanent Court of Arbitration for kindly permitting these Reports to use the electronic files of the relevant texts posted on their official websites. Thanks are also due to the International Tribunal for the Law of the Sea and to Brill publishers for their kind permission to publish the text of the orders from the *ITLOS Reports* posted on the ITLOS website.

Finally, our thanks go to all the others who have worked to complete this volume, particularly our publishers, Cambridge University Press, and typesetters, Straive, and their staff.
