### BRITISH MEDICAL ASSOCIATION.

#### MEETING IN CANADA.

A Meeting of the Pacific Coast Oto-Ophthalmological Society will be held at Victoria, British Columbia, on 5th, 6th, 7th September. The date has been arranged in the hopes that some of those attending the British Medical Association in Winnipeg will be able to attend it, and a cordial invitation is extended to all visitors.

\* \* \*

Sir James Dundas-Grant has been elected an Honorary Member of the Inter-State Post Graduate Medical Association of North America.

# Peroral Endoscopy Table

Designed and built at Chiron Works for King's College Hospital

This table is arranged for nasal and aural operations as well as for endoscopic work.

The back rest is adjustable from the dependant position shown in the illustration to one nearly at right angles to the top of the table for nasal operations, in which case a suitable head rest is attached.

The table is adjustable in height and can be tilted in either direction and is absolutely rigid in any position. Further particulars furnished on request.
