### Toward multiscale modeling of thin-film growth processes using SLKMC – ERRATUM

Shree Ram Acharya and Talat S. Rahman

doi: 10.1557/jmr.2018.44, Published by Materials Research Society with Cambridge University Press, 28 March 2018.

The paper by Acharya and Rahman<sup>1</sup> was inadvertently published in Volume 33, Issue 6 of *Journal of Materials Research*. The article is part of the *Journal of Materials Research* Focus Issue on Advanced Atomistic Algorithms in Materials Science and is referenced as such in the introduction to that issue.<sup>2</sup>

The publishers apologize for the error.
