Enter Justis EU.

Our new and enhanced package includes a database of summaries from the supreme courts of EU states for cases relating to EU legal issues, along with the full-text EU legislation and other established components of our European Law offering.

Featuring: Caselex

A groundbreaking and time-saving database, Caselex compensates for the lack of domestic precedents on which cases dealing with EU law can be based.

Contained in the database are a unique collection of high-quality summaries of cases – translated into English – from the supreme courts of 22 EU member states, Iceland, Norway, the EFTA Court, the EU Court of Justice and the EU Court of First Instance.

The cases, with coverage from 01/01/2000, are selected by a network of legal advisors throughout Europe and initially cover the following practice areas:

Company Law

Competition Law

Consumer Protection Law

Employment Law

Environmental Law

Freedom of Movement Law

ICT and Media Law

Intellectual Property Law

Private International Law

Public Procurement Law

Social Security Law

Though available as part of the Justis EU package, it benefits from the advanced functionality of its own dedicated platform at **www.caselex.com**.

Caselex is also available to purchase as a stand-alone subscription exclusively through Justis Publishing Ltd in the UK and Ireland.
