## **Monthly Public Health Law Webinar Series**

**September 19, 2013**

**October 17, 2013**

**November 21, 2013**

**January 16, 2014**

**1-2 pm ET**

Every month ASLME and its partners bring together experts in various public health fields to discuss timely and critical topics—including medical countermeasures, gun violence and firearms law, health impact assessments, primary care provider roles, and many more. The webinars are free and open to all interested parties. Registration is required.

The webinar series is presented in partnership by: the American Society of Law Medicine and Ethics; Network for Public Health Law; Public Health Law Association; and Public Health Law Research Program.

## **37th Annual Health Law Professors Conference**

**June 5-7, 2014**

**University of California Hastings College of the Law  
San Francisco, CA**

This conference is intended for professionals who teach law or bioethics in schools of law, medicine, public health, health care administration, pharmacy, nursing, and dentistry. ASLME's Annual Health Law Professors Conference combines presentations by experienced health law teachers with the opportunity for discussion among conference participants. The program is designed to provide participants with updates on issues at the forefront of law and medicine and to provide them with the opportunity to share strategies, ideas, and materials.

## **2014 Public Health Law Conference**

**October 16-17, 2014**

**Loews Atlanta Hotel  
Atlanta, GA**

This conference will gather public health and legal experts from across the country to learn about and discuss today's critical challenges in public health law. Top experts will lead insightful sessions on a range of emerging issues from a variety of perspectives. Attendees will return home inspired and equipped to improve public health with legal solutions.
