China and the West

WOLFGANG FRANKE

Translated by R. A. WILSON

Attempts to show the historical development of certain problems which have marked China's relations with the West from the earliest times and which still have considerable force. Political, economic and military events are sketched in as a background to the story of the factual knowledge and subjective impressions which China and the West have had of one another.

SURVEY

A Journal of Soviet and East European Studies

No. 63

April 1967

THE SOVIET UNION AND THE "GREAT PROLETARIAN CULTURAL REVOLUTION"

is the subject of a special issue of SURVEY

This special issue puts on record the Sino-Soviet exchanges during the past year. It provides the first documentary account of the Chinese "cultural revolution" as seen in the Soviet mirror, and analyses the significance for the Soviet Union of the present upheaval in China.

For Comprehensive Coverage of
SOVIET AFFAIRS...

BULLETIN—This monthly publication of the Institute for the Study of the USSR in Munich, Germany, contains short articles on current Soviet trends, reviews of books and periodicals and a monthly chronicle of important Soviet events. It is both a handy guide to current Soviet events and an important reference for research work.

Twelve issues—\$6.00

STUDIES ON THE SOVIET UNION—This quarterly journal of the Institute for the Study of the USSR also deals with problems of current interest, but at greater length and in a broader context than the *Bulletin*. Each issue contains carefully researched articles by the Institute staff and by outstanding Western scholars.

Four issues—\$6.00
