Address **ALL** matters regarding **SUBSCRIPTIONS** to:

Paleobiology Subscriptions,
P.O. Box 115,
Jacksonville, N.Y. 14854

Although published by the Paleontological Society, a subscription to PALEOBIOLOGY is in addition to the society dues. There are three groups of subscribers. For 1983, subscriptions are:

- (1) \$18.00 for regular subscribers.
- (2) \$16.00 for members of the Paleontological Society (dues to PS are \$35.00); or ordinary and student members of the Palaeontological Association (dues to PA are \$24.00).
- (3) \$30.00 for institutions.

Back volume: \$20.00 for *all* individuals; \$32.00 for institutions.

Known office of publication: PALEOBIOLOGY BUSINESS OFFICE, 1259 Trumansburg Road, Ithaca, N.Y. 14850. Second-class postage paid at Ithaca, N.Y., and additional mailing office. Publication number USPS 083330.
PALEOBIOLOGY is printed offset by Allen Press, Inc., Lawrence, KS 66044.

The Paleontological Society acknowledges with special thanks, Patrons and Institutional Supporters of *Paleobiology* for 1982

The purpose of establishing the Patrons Fund is to broaden the basis of financial support for *Paleobiology*, and thus to encourage paleontological publication.

\$50.00 to \$100.00,
at the discretion of the Contributor

MAMMALIAN PALEOFAUNAS OF THE WORLD

Donald E. Savage

University of California, Berkeley
and

Donald E. Russell

Muséum National d'Histoire Naturelle, Paris, France

This book briefly describes the ancient mammalian faunas of diverse parts of the world through 200 million years of mammalian history and relates them to geologic history.

Features of the book include:

- Detailed list of species in the recognized major Cenozoic mammalian faunas of the entire world,
- Complete bibliographic citations for taxa,
- Glossaries of producing localities and rock-stratigraphic units,
- Succinct interpretations of chronologic correlations, paleobiogeography, and paleoenvironments,
- A pertinent bibliography, organized under chapter headings, updated through 1981,
- The most comprehensive, up-to-date reference in the field,
- Many exquisitely detailed illustrations.

SPECIAL PREPUBLICATION PRICE OFFER \$64.95 through February 28, 1983.

© 1983, approx. 544 pp., illus. with line drawings, 8½" x 11", 2 columns

Hardbound ISBN 0-201-06494-4 Publication Price \$79.95

DARWINISM DEFENDED : A Guide to the Evolution Controversies

Michael Ruse , *University of Guelph*

Foreword by **Ernst Mayr** , *Harvard University*

Review:

"Michael Ruse is a doughty defender of Darwinism. He provides us with a splendid guide to the evolution controversies . . . Rich in anecdote, [his book] is a glorious overview of biological thinking from the *Origin* to today."

— *New Scientist*

1982, 374 pp., illus. with line drawings
