BULLETIN
of
ENTOMOLOGICAL
RESEARCH

Aims and Scope

The *Bulletin of Entomological Research* publishes original research papers, review articles and short communications concerning insects, mites, ticks or other arthropods of economic importance in agriculture, forestry, stored products, biological control, medicine, animal health and natural resource management. The geographical scope of the *Bulletin* is worldwide. Taxonomic papers are accepted if relevant.

The *Bulletin of Entomological Research* is published bimonthly by CAB INTERNATIONAL.
