Cambridge University Press, 14 January 2016.

The authors have drawn our attention to two errors in this paper (Elvebakk *et al.* 2016). The generic type species of *Gibbosporina* on p. 17 and the new combination based on *Psoroma boninense* Kurok. on p. 29 should both read: *Gibbosporina boninensis* (Kurokawa) Elvebakk & P.M. Jørg.
