# GENEVA-AFRICA

THE JOURNAL OF THE GENEVA-AFRICA INSTITUTE

---

Africa in time past lent the European imagination that touch of exotic adventure which its own milieu did not always provide. That time is no more. Africa today seeks her own way through difficulties and incertitudes to which no one open to her desire to meet on terms of equality can remain indifferent.

It is the wish of *Geneva-Africa* to be an active partner in this unconditional dialogue, and to contribute to a deeper comprehension of the problems and opportunities facing an emergent Africa.
