

## CONTRIBUTIONS

Contributions to the *Journal* are welcomed. They may be submitted in either English or French and, except with the prior approval of the Editors, should not exceed about 6000 words. Two copies should be submitted, clearly typed with double spacing on quarto paper, and with a left-hand margin of at least  $1\frac{1}{2}$  in. (4 cm.). A summary of the contents of the article, not exceeding about 300 words in length, should be attached on a separate sheet. Footnotes, which should also be typed with double spacing, should be numbered consecutively throughout the article, and should include all bibliographical references; there should be no separate bibliography. First references should be complete, in standard form, so as to permit unequivocal identification of the book or article in question. Subsequent references should be by author's name and short title. Articles may be illustrated with line drawings and maps and, should the Editors agree that it is necessary, also with half-tone plates.

Galley proofs will be sent, if necessary by airmail, to each contributor (or his nominee) provided that the Editors have been given an address through which he can be reached without delay. Corrections should be kept to the minimum, and should be corrections, not new material. If they are to be incorporated in the master proof corrected by the Editors, it is important that the contributor should return the galleys, by airmail if necessary, to the Editor named when they are sent out (and *not* to the Cambridge University Press), within ten days of his receipt of them.

Contributors of articles and review articles receive 25 free separates. Additional separates may be obtained at reasonable cost, provided that they are ordered before publication on the special form sent out with the galley proofs.

All contributions and books for review should be addressed to The Editors, The Journal of African History, School of Oriental and African Studies, University of London, London, W.C.1.
