

CORRIGENDUM

Voice onset time in Persian initial and intervocalic stop production – CORRIGENDUM

Mahmood Bijankhan & Mandana Nourbakhsh

doi:10.1017/S0025100309990168, Published by Cambridge University Press 12 November 2009.

The authors would like to apologise for the following errors:

- (i) Page 338, section 1.2, lines 21–23

Currently reads as follows:

We follow the assumption of most scholars who consider /t/ and /d/ to be dental (Windfur 1979, Pisowicz 1985, Lazard 1992, Samareh 1992), although Majidi & Ternes (1999) and UVPD (1999) describe these phonemes as alveolars.

It should be:

We follow the assumption of most scholars who consider /t/ and /d/ to be dental (Windfur 1979, Pisowicz 1985, Lazard 1992, Samareh 1992, Majidi & Ternes 1999), although UVPD (1999) describes these phonemes as alveolars.
