The *Canadian Journal of Political Science*, whose policy is set by the Editorial Board, is committed to the publication of scholarly research in all fields of political science. Manuscripts are assessed on the basis of their contribution to the discipline and by the authors' adherence to the highest scholarly standards. The Editorial Board may judge manuscripts unsuitable if they are too narrow or specialized for an omnibus political science journal.

La *Revue canadienne de science politique* dont la politique est mise en place par le comité de rédaction s'engage à publier des travaux de recherche académique dans toutes les orientations de la science politique. Les manuscrits sont évalués sur la base de leur contribution à l'avancement des connaissances dans la discipline et selon la conformité des textes aux exigences académiques les plus élevées. Le comité de rédaction peut considérer inadmissibles des manuscrits portant sur des sujets trop spécialisés ou trop étroits.

All material must be double-spaced. Footnotes should be double-spaced and placed in a single listing at the end of the paper. Tables and diagrams must be submitted on separate pages. In preparing a manuscript for consideration by the Editorial Board, authors should follow the JOURNAL's style sheet which the editors can supply. Otherwise, the most recent issue of the JOURNAL can serve as a style guide. Manuscripts will not be returned.
