

The essence and efficiency limits of bulk-heterostructure organic solar cells: A polymer-to-panel perspective – CORRIGENDUM

Muhammad A. Alam, Biwajit Ray, Mohammad Ryyan Khan, and Sourabh Dongaonkar

doi: 10.1557/jmr.2012.425, Published by Materials Research Society with Cambridge University Press, 20 January 2013.

In Alam et al.¹, the second author is listed incorrectly as Biwajit Ray. The correct spelling of the author's name is Biswajit Ray.

The author regrets the mistake.
