

A DIRECTOR OF RESEARCH IS REQUIRED to become head of the Research Organisation of a leading Group of Plantation Companies in Malaya. This key post calls for a Scientist with a general training, of which the emphasis is towards Chemistry, Soils, and Plant Physiology. It offers exceptional scope for personal direction and initiation of research of the first importance to industries which are vital to the economy of the sterling area. It will, accordingly, be highly remunerated. Suitably qualified candidates are requested to write in confidence with full details of career and qualifications to

*Box 644, Dorland Advertising, 18/20 Regent Street, London, S.W. 1*

RESEARCH ASSISTANT REQUIRED by leading Plantation Group for Malaya. Students completing a University Course in summer 1951 would be eligible. Desirable qualifications are 1st Class Honours in Agricultural Botany, specialisation Plant Physiology and Genetics and knowledge of statistics of field experimentation. Four figure commencing salary and remunerative prospects. Write with full details of career to

*Box 666, Dorland Advertising, 18/20 Regent Street, London, S.W. 1*

*The Journal of Agricultural Science* is issued in quarterly parts of about 120 pages with plates and figures, four parts constituting a volume.

Volumes XVI-XX (1926-1930) are out of print. Quotations can be given for other back volumes and parts.

Quotations can also be given for buckram binding cases. (Suspended.)

Papers for publication should be typewritten or written in a very legible hand, and may be sent to Dr J. HAMMOND, School of Agriculture, Cambridge, or to the associate Editors. Other communications should be addressed to the University Press, Cambridge.

**Bibliography should be given under the heading of "References" in the following form:**

**Surname of authors (in alphabetical order), initials, date of publication (in brackets), title of Journal (abbreviated according to the *World List of Scientific Periodicals*), volume and pages of reference. In the text a reference should be quoted by the author's name and date (in brackets).**

**All names of Journals and books should be in italics.**

Contributors will receive twenty-five copies of their papers free.

The subscription price for each volume, payable in advance, is 40s. *net* per volume (post free); single numbers 15s. *net*. Subscriptions may be sent to any Bookseller, or to The Cambridge University Press, Bentley House, 200 Euston Road, London, N.W. 1.

Enquiries from the U.S.A. should be addressed to the Cambridge University Press American Branch, 51 Madison Avenue, New York, 10.
