OUT NOW

“A superb analysis of the crisis in the legal order governing world trade.”

MARTIN WOLF, FINANCIAL TIMES

“If you want to understand the past and the future of the transnational legal order for trade, read this book!”

JENNIFER HILLMAN, SENIOR FELLOW AT THE COUNCIL ON FOREIGN RELATIONS

“Eloquently illuminates a complex but vital subject – the law’s power to shape a more inclusive model of transnational trade.”

ROBERTO AZEVEDO, FORMER DIRECTOR-GENERAL OF THE WORLD TRADE ORGANIZATION

THE LATEST FROM ASIL PRESIDENT-ELECT GREGORY SHAFFER

Victorious after World War II and the Cold War, the United States and its allies largely wrote the rules for international trade and investment. Yet, by 2020, it was the United States that became the great disrupter – disenchanted with the rules’ constraints. Paradoxically, China, India, Brazil, and other emerging economies became stakeholders in and, at times, defenders of economic globalization and the rules regulating it.

Emerging Powers and the World Trading System explains how this came to be and addresses the micropolitics of trade law – what has been developing under the surface of the business of trade through the practice of law, which has broad macro implications.

International Law at Iowa

For the past 40 years, Iowa Law has had an International and Comparative Law Program. We offer the Advanced Standing JD, LLM, SJD, as well as the traditional three-year JD. In any given year, nearly ten percent of our students are from outside the United States, and we host numerous international scholars for the semester or the year. Our library, one of the largest in an American law school, has over 1.4 million titles and continues to grow. Nearly one-third of our faculty are involved in the field of International and Comparative Law.

To learn more, contact Associate Dean Adrien Katherine Wing at Adrien-wing@uiowa.edu.
