With its unique emphasis on how authors talk about what they do, this introductory anthology lets the words of the writers guide students in their exploration of the many ways to read, think, and write about literature.

NEW — Available Now!

- **Showcases how writers talk about literature and writing** by weaving authorial insights throughout its apparatus and by supplementing its stories, poems, and plays with the authors' commentaries about them.
- **A diverse selection of literature** distinguished by the richest choice of fiction and featuring many writers presented in casebooks.
- **Innovative editorial apparatus** that keeps the focus on the writers — with extensive headnotes, concise introductions to literary elements, and questions and writing prompts on the Web site and in the Instructor's Manual.
- **Distinctive writing opportunities** and plentiful writing instruction.
