## BOOK REVIEW POLICY

*Albion* publishes reviews of recent books in British studies which are of interest to its readers. These are meant both to evaluate the contribution of each work and to demonstrate its relevance to recent literature in its field. Also published regularly are lists of other books received which may or may not be reviewed in subsequent issues of the journal. *Albion* does not accept unsolicited reviews: those interested in writing reviews are asked to send a recent *Curriculum vitae* to the Book Review Editor.
