Presentation of the 2015 Paleontological Society Pojeta Award to the Paleontological Research Institution

Steven M. Holland

Department of Geology, University of Georgia, Athens, Georgia 30602-2501, USA (stratum@uga.edu)

Under the leadership of Warren Allmon over the past 23 years, the PRI has been a leader in education and public outreach. Notably, PRI has developed and constructed its cutting-edge Museum of the Earth and expanded its educational staff. PRI supports the efforts of science teachers nationally through hosting and presenting numerous

workshops, as well as developing a spectrum of educational publications. PRI has also expanded its funding opportunities that support the work of undergraduates, graduate students, and postdocs.
