Western Law & Indian Gaming

Edited by Gordon Morris Bakken

In this volume, Gordon Morris Bakken traces the distinctive development of western legal history. The contributors' essays provide succinct descriptions of major cases, legislation, and individual western states' constitutional provisions that are unique in the American legal system. To assist the reader, the volume is organized by subject, including natural resources, municipal authority, business regulation, American Indian sovereignty and water rights, women, and Mormons.

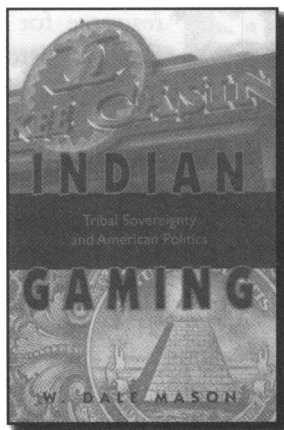

\$49.95 Hardcover

By W. Dale Mason

Indian Gaming examines the conflicts over American Indian tribes' gambling operations, focusing on tribes in New Mexico and Oklahoma. It places recent events in other states—notably California and Minnesota—within the perspective of historic Indian policy, states' rights arguments, and federalism. One of the results of these conflicts and arguments has been the development of a new strata of intergovernmental relations to the benefit of tribal autonomy which is fast approaching status equaling states' sovereignty within the United States federal system.

EDITED BY MAIJA JANSSON

In its 20-year history, this series has been a major primary resource for researchers working in government, politics, English history, and parliamentary theory. Each volume provides a chronicle of the day-to-day events of several most historically significant parliamentary sessions, including 1628 (7 volumes), 1625 (1 volume), and 1626 (4 volumes). The next two sessions to be produced are the Long Parliament of 1640 (4 volumes) and the Parliament of 1624 (3 volumes).

The State and Freedom of Contract

EDITED BY HARRY N. SCHEIBER

“This book is something of a landmark. It crystallizes a generation’s work of revisionist scholarship that gives the core ideas of ‘freedom of contract’ a long prehistory, reevaluates its content and sources, and explores its relation to property doctrines and ideology, to labor and environmental contexts, and to the emerging future of the global economy.”

—Robert W. Gordon, Yale Law School

\$24.95 paper \$55.00 cloth

Emile Durkheim: Law in a Moral Domain

ROGER COTTERRELL

This book seeks to provide a fully comprehensive and systematic account of Durkheim’s legal theory. Because his writings on law and on the sociology of law are scattered throughout his work, this book is in fact the first attempt in English to provide a detailed analysis of the entirety of Durkheim’s legal thought.

Women and Property in China, 960-1949

KATHRYN BERNHARDT

“This is an original and wholly new analysis of changes in women’s inheritance rights in China. . . . With her mastery of the legal code and the language of case-books, as well as her access to unique archival collections, Bernhardt’s findings rest on an irrefragable mass of data; the book is a classic example of careful scholarship.” —Susan Mann, University of California, Davis

Law, Society, and Culture in China

Announcing Volume II

**ORDINES
CORONATIONIS
FRANCIAE**

**TEXTS AND ORDINES FOR THE
CORONATION OF FRANKISH AND
FRENCH KINGS AND QUEENS IN
THE MIDDLE AGES, VOLUME II**

Edited by Richard A. Jackson

The *ordines coronationis* are essentially the scripts for the coronation of Frankish and French sovereigns. Combining detailed religious, ceremonial, and political material, they are an extraordinarily important source for the study of individual rulers or dynasties, as well as for the study of kingship, queenship, and the evolution of political institutions. This second and final volume completes the first full edition of these texts. It contains all the *ordines* from the early thirteenth century through the end of the fifteenth century, a period during which the texts shift from Latin to the vernacular, and the institutions of kingship become distinctively French.

American Society for Legal History

ORGANIZATION AND MEMBERSHIP

The American Society for Legal History is a nonprofit membership organization dedicated to fostering scholarship, teaching, and study concerning the law and institutions of all legal systems, both Anglo-American and international. Founded in 1956, the Society sponsors this journal and *Studies in Legal History*, a series of book-length monographs available to ASLH members at substantial prepublication discounts. In addition, the Society holds an annual meeting to promote scholarship and interaction among teachers, practitioners, and students interested in legal history, and publishes a semiannual newsletter reporting developments in the field. For further information concerning the Society, please write: Donald Nieman, History Department, Bowling Green State University, Bowling Green, OH 43403.

To become a member of the Society, please complete and mail the application below to the University of Illinois Press at the address indicated.
