Monthly Public Health Law Webinar Series

1-2 pm ET

Every month ASLME and its partners bring together experts in various public health fields to discuss timely and critical topics — including distracted driving, obesity prevention, gun violence and firearms law, health impact assessments, primary care provider roles, and many more. The webinars are free and open to all interested parties. Registration is required.

2017 Next Steps in Health Reform

October 26-28, 2017

**American University Washington College of Law
Washington, D.C.**

Speakers include: Sylvia Matthews Burwell, Timothy Jost, and Rep. Henry A. Waxman

Leading health law, policy, and economics experts from across the country will discuss the dynamic health care landscape, including:

- Health care delivery and payment reform
- Private insurance regulation
- Medicaid and CHIP
- State and community responses to the changing federal role in health care.
