GUIDELINES FOR APSA SECTIONS

1. The Council will act on recognizing a Section upon receipt of a pledge of membership of at least 100 Association members, which includes the proposed Section name, statement of purpose, and procedures for governance (see item 6 below).
 2. All Section members must be APSA members.
 3. The APSA will solicit Section memberships and collect Section dues (in conjunction with its regular membership and renewal activities), maintain Section lists, produce Section lists, produce Section mailing labels, permit Sections to sponsor panels at the annual meeting, help support the publication of newsletters, and publish Section notices in *PS*. In addition, the APSA will seek to assist Sections with more ambitious activities, such as conferences and publications that require external funding.
 4. A basic Section dues of \$3.00 will be assessed and retained by APSA to cover the costs of the specific services listed in item 3 above. Sections are encouraged to set dues at a higher level (a minimum of \$5.00 is suggested) and retain the balance to finance newsletters and other activities.
 5. Panels sponsored by Sections will constitute Part Two of the official Annual Meeting program, Part One being composed of panels organized by the Program Committee. For the present, there is no change in the Council policy that provides meeting rooms (on a space available basis) and courtesy listings to unaffiliated groups.
 6. Sections are required to adopt procedures that provide for an elected president or chair, an elected representative council or executive committee, and an elected or appointed financial officer who is responsible for submitting an annual report to APSA's executive director.
 7. A Council Committee on Sections will recommend action on petitions to establish Sections, monitor Section activities, advise the staff on administrative arrangements for Sections, and conduct an ongoing review of Sections.
 8. The Council will withdraw approval for Sections failing to maintain a membership of 100 over a period of two years.
-
