

CONTRIBUTIONS

Contributions are invited from all parts of the world. Articles should preferably be between 2,000 and 6,000 words long, and two copies, typed with double spacing, should be submitted. Apart from brief quotations (which may be in non-Roman type) the journal is published entirely in English, but articles written in other languages will be considered, and arrangements will be made as required for translating them into English. Submission of an article will be taken to imply that it has not been previously published and is not on offer to any other publisher.

All correspondence should be addressed to Professor C. A. Fisher, Modern Asian Studies, School of Oriental and African Studies, University of London, W.C.1.

Each contributor will receive, free of charge, 50 offprints of his article and a copy of the issue of the journal in which it appears.
