

Acknowledgement to our reviewers of Volume 16 (2015)

The Editors in Chief would like to extend our sincere thanks to the following reviewers who have undertaken peer review of papers during 2015.

We appreciate that reviewing is a reciprocal process which takes your time and energy. Our authors have benefited from high quality, constructive feedback which they have appreciated hugely in bringing their work to publication standard. A big thank you to all of you, we look forward to continuing to work together to maintain the high quality of PHCRD.

We are pleased to announce that Stephen Abbott has been awarded Reviewer of the Year for the Journal. Many thanks to Stephen for his thoughtful, high quality reviews which are always delivered in a timely manner.
