Protection is our line.

NEUTRALON® Brown Surgical Glove MICRO-TOUCH® Latex Surgical Glove MAXXUS® Orthopaedic Surgical Glove MICRO-TOUCH® XP Latex Medical Glove MICRO-TOUCH® Latex Medical Glove

Protection. The key to our superior glove line. At Johnson & Johnson Medical, Inc., we have a reputation that spans more than 20 years — years dedicated to the research and development of quality gloves that provide maximum protection, optimum fit and excellent touch sensitivity.

We engineer quality into every aspect of our gloves beginning with 100 percent on-line visual inspection of all latex gloves, and quality standards that far exceed those required by the FDA.

Our protective lines include NEUTRALON® Brown Surgical Gloves, MICRO-TOUCH® Latex Surgical Gloves, MICRO-TOUCH® Latex Medical Gloves, DISPOS-A-GLOVE® Examination Gloves and both the new MAXXUS® Orthopaedic Surgical Gloves, and the longer cuff MICRO-TOUCH® XP Latex Medical Gloves.

Protection and Johnson & Johnson Medical, Inc. — an unbeatable combination.
