

CJEM JCMU

Vol. 12, No. 1
January / janvier 2010

cjem-online.ca

About the Cover:

The importance, and challenge, of vaccinations in Canada is central to 2 articles in this issue. A pediatric tetanus case reported by Grunau and Olson highlights the danger of lack of immunity because of refusal to vaccinate, and an editorial by Moore and Sivilotti challenges "vaccine skepticism" during the current pH1N1 vaccination campaign in Canada. See pages 14 and 69.

Table of Contents • Table des matières

EDITORIALS/COMMENTARIES • ÉDITORIAUX/COMMENTAIRES

- 8** Emergency medicine in Canada: a call to arms
J. Ducharme, R.B. Abu-Laban, M.L.A. Sivilotti, B.H. Rowe
-

There's more than one reason why we're the leader in Emergency Medicine.

Hand-carried
M-Turbo®

- ◀ Superior Image Quality ▶
- ◀ Industry's Fastest Boot-up Time ▶
- ◀ Fluid Resistant Interface ▶
- ◀ Durability – 3 foot drop test ▶
- ◀ Reliability – 5-year warranty ▶

Mounted
S-FAST™

We listened to you.

Preferred by emergency ultrasound thought leaders and university hospitals across the country, SonoSite continues to lead the way in emergency medicine.

Our newest technology provides:

- Full imaging capabilities across the spectrum of emergency applications — including FAST, abdominal, cardiac, OB, superficial and procedural guidance.
- The industry's only phased array probe with SonoMB™ multi-beam technology for high resolution abdominal and transthoracic imaging, in even your most difficult patients.

Visit www.sonosite.com/emed or call **888-554-5502** to speak to a customer service representative.

NASDAQ:SONO

World leader and specialist in hand-carried ultrasound.

ED Administration

- 50** Applying the Lean principles of the Toyota Production System to reduce wait times in the emergency department
