

NEW BOOKS

**THE METAPHYSICAL
PARTS OF PLEASURE**
PSYCHOLOGICAL ANALYSIS
AND ITS ROLE IN JOHN STUART MILL'S
ECONOMIC, SOCIAL, AND MORAL PHILOSOPHY

Fred Wilson

Wilson argues that Mill emerged from his mental crisis in the 1820s with a new understanding of the notion of introspective analysis. Wilson's study places Mill's innovations in the context of earlier work in ethics and perception and of subsequent developments in the history of psychology. He shows the significance of these innovations for a wide range of topics with which Mill was concerned. \$60.00

**WITTGENSTEIN'S
EARLY PHILOSOPHY**
THREE SIDES OF THE MIRROR

Donald Peterson

Peterson elucidates the underlying conceptual scheme of Wittgenstein's *Tractatus* and shows that, when this scheme is identified and emphasized, much of the work's obscurity dissolves; the reader is able to understand Wittgenstein's diverse terminology, the purpose and context of his individual remarks, and the overall coherence of *Tractatus*. Peterson also clarifies Wittgenstein's discussion of the mystical, and applies his ideas about representation and logic to the new field of cognitive science. \$40.00

UNIVERSITY OF TORONTO PRESS

Manuscripts, books for review, and other communications for the English-language editor should be sent to Steven Davis, *Dialogue*, CC8311, Simon Fraser University, Burnaby, British Columbia V5A 1S6.
