The Pre-Conquest Church in England

MARGARET DEANESLY

*Professor Emeritus of History
University of London*

"Here for the first time a book has brought together the archaeological evidence and shown how it modifies the established picture of the Anglo-Saxon Church . . . but there is nothing whatever in this treatment that is dry-as-dust. This is a friendly, gentle, understanding portrait of Anglo-Saxon religion and an outstanding piece of scholarship and writing." PROFESSOR OWEN CHADWICK.

An Ecclesiastical History of England

VOL. I

Monastic Life in Medieval England

J. C. DICKINSON

*Lecturer in Ecclesiastical History
University of Birmingham*

"Of the numerous surveys of the subject in recent years Mr Dickinson's is in many ways the most successful . . . his statements are firmly anchored to medieval documents and modern scholarship . . . he can be trusted throughout for his facts and for his judgments . . . a lively and incisive style that holds the reader's attention."

PROFESSOR D. M. KNOWLES.
