# A New Endo-Rhinoscope and Rubber Stamp for Case Book

(Modelled on Holmes Salpingoscope) made at the suggestion of Dr P. Watson-Williams and shown at the meeting of the Laryngological Section of the Royal Society of Medicine, 3rd May 1929

This Endo-Rhinoscope affords an excellent *upright* view of the regions under inspection; it gives a very *wide field* and shows the details clearly and in *true colour*

Right Antral discharge seen by Endo-Rhinoscope  
(DR P. WATSON-WILLIAMS' CASE)

Price £7, 18s. 6d.

Rubber Stamp, 6/6 extra
