Ethics

An International Journal of Social,
Political, and Legal Philosophy

Ethics publishes scholarly work in moral and political philosophy from a variety of intellectual perspectives, including social and political theory, law, and economics. In addition to major articles, *Ethics* also publishes review essays, discussion articles, book reviews, and book notes. The editors strive to present work from around the world that draws on more than one disciplinary approach. *Ethics* publishes both theory and the application of theory to contemporary moral issues, as well as historical essays that have significant implications for contemporary theory within the field.

Recent Articles

The Discursive Dilemma and
Public Reason, *Christian List*

Fair Opportunity in Education: A
Democratic Equality Perspective,
Elizabeth Anderson

Cognitivism about Instrumental
Reason, *Kiernan Setiya*

Equality, Priority, and Positional Goods,
Harry Brighouse and Adam Swift

Think has been created to forge a direct link between contemporary philosophy and the widest possible readership. The central aim of the journal is to provide to a very wide audience – encompassing undergraduates, 'A' level students, students in further education and the general public – highly accessible and engaging writing by philosophers pre-eminent in their fields.

Editor

Paul Kelly, London School of Economics, UK

Utilitas is one of the leading international journals in ethics, offering high quality research in all aspects of the development of utilitarian thought and in all areas in which utilitarianism has made a contribution. As a pioneering, interdisciplinary journal, *Utilitas* will be of interest to moral philosophers, economists, political theorists, intellectual historians and legal theorists.
