PROCEEDINGS OF THE NUTRITION SOCIETY

Volume: 72

Number: 4

November 2013

Available online at
www.journals.cambridge.org

Symposia featured in this issue:

Diet–gene interactions; implications for future diets and health
Nutrition, musculoskeletal health and ageing
Scaling up nutrition
PUFA mediators: role in disease process
Cannabinoids in human health

Proceedings of the Nutrition Society

Volume 72, 2013 ISSN: 0029-6651

Aims and Scope

Proceedings of the Nutrition Society publishes papers and abstracts presented by members and invited speakers at the scientific meetings of The Nutrition Society.

Coverage includes

- Cellular and molecular nutrition (including immunology)
- Nutritional genomics
- Nutrition and the food chain
- Clinical nutrition and metabolism
- Obesity and body composition
- Infant nutrition
- Diet selection and control of intake
- Nutrition and behaviour
- Reproduction, growth and development
- Public health nutrition
- Nutrition policy
- Sports and exercise nutrition
- Animal nutrition and metabolism
- Molecular aspects of nutrition
- Functional foods
- Macronutrient metabolism
- Micronutrients and antioxidants
- Companion animal nutrition
- Epidemiology

The *Proceedings of the Nutrition Society* is published four times a year by Cambridge University Press on behalf of the Nutrition Society. Symposium papers are published in February, May, August and November and are available as hard copy or electronically; Original Communications from individual meetings are published electronically only and comprise an OCE issue.

The journal is available on the Internet at: journals.cambridge.org/pns

Editor in Chief

M O'Sullivan, *Trinity Centre for Health Science, Dublin, Republic of Ireland*

Deputy Editor

A Mostyn, *School of Veterinary Medicine and Science, University of Nottingham, UK*

Editorial Board

M Cantwell, *Queen's University Belfast, UK*

A Chwalibog, *University of Copenhagen, Denmark*

A Cross, *National Cancer Institute, USA*

J E Drew, *Rowett Institute of Nutrition and Health, University of Aberdeen, UK*

M D Robertson, *Diabetes and Endocrinology, University of Surrey, UK*

P Sharp, *Nutritional Sciences Division, King's College London, UK*

M Siervo, *Institute for Ageing and Health, Newcastle University, UK*

Science Committee

K M Younger
Chair/Treasurer

M O'Sullivan
Proceedings Editor

D Bender
Publications Officer

A Gallagher
Programmes Secretary

A Salter
Scientific

E Gibney
Irish Section Secretary

F Thies
Scottish Section Secretary

B Corfe
Cellular and Molecular Nutrition Theme

A Welch
Public Health Nutrition Theme

B Griffin
Whole Body Metabolism Theme

Publications Staff

C Goodstein, *Publications Manager;*

C Jackson, *Deputy Publications Manager;*

L Weeks, D Owen, *Publications Officers*

The Nutrition Society has as its objectives the advancement of the scientific study of nutrition and its application to the maintenance of human and animal health.

Honorary Officers of the Society

J J Strain
President

H J McArdle
Secretary

K M Younger
Treasurer

A Gallagher
Programmes Secretary

D A Sewell
External Relations

D Bender
Publications

A Salter
Scientific

B Lang
Training and Education

S Bird
Public Engagement

P Amuna
International Affairs

Application for membership is open to any person who has a genuine interest in the science of human or animal nutrition and its application to human or animal health. Reduced subscriptions are available to full-time student members within 2 years of graduation and retired members, the unwaged and members who reside in very low income countries.

For more information about membership benefits and for membership application forms, contact The Nutrition Society, 10 Cambridge Court, 210 Shepherds Bush Road, London, W6 7NJ, UK. Tel: +44 (0)20 7605 6555, Fax: +44 (0)20 7602 1756, Email: office@nutsoc.org.uk

Contents

King's College Conference Centre, University of Aberdeen, 26–27 March 2012

Conference on 'Future food and health'

Symposium 2: Diet–gene interactions; implications for future diets and health

Chair: S. Athanasiadou, *Scottish Agricultural College*

Epigenetic consequences of a changing human diet

P. Haggarty

363–371

Centro de Convenções e Eventos Frei Caneca, 4–6 October 2012

13th International Congress of Nutrition, Longevity and Quality of Life

The 5th International Symposium of the Nutrition Society

Vitamin D and bone health outcomes in older age

T. R. Hill, T. J. Aspray & R. M. Francis

372–380

University of the Free State, 1–4 October 2012

Conference on 'Transforming the nutrition landscape in Africa'

Plenary Session 5: Scaling up nutrition

Chairs: Professor J. Jerling & Dr R. Annan

'*Fan the SUN brighter*': Fortifying Africa nutritionally (FAN) – The role of public private partnership in scaling up nutrition (SUN) in West Africa

M. Sablah, S. K. Baker, J. Badham & A. De Zayas

381–385

Royal Society of Medicine, 11–12 December 2012

Conference on 'Dietary strategies for the management of cardiovascular risk'

Dietary strategies, policy and cardiovascular disease risk reduction in England

L. B. Levy

386–389

Reappraisal of SFA and cardiovascular risk

T. A. B. Sanders

390–398

Fruit and vegetable intake and risk of cardiovascular disease

J. V. Woodside, I. S. Young & M. C. McKinley

399–406

Dietary patterns and cardiovascular disease

C. M. Williams, J. A. Lovegrove & B. A. Griffin

407–411

Ectopic fat, insulin resistance and non alcoholic-fatty liver disease

C. D. Byrne

412–419

Queen's University, 14–15 February 2013

2013 Irish Section Postgraduate Meeting

The potential role of fruit and vegetables in aspects of psychological well-being: a review of the literature and future directions

C. Rooney, M. C. McKinley & J. V. Woodside

420–432

The impact of voluntary food fortification on micronutrient intakes and status in European countries: a review

A. Hennessy, J. Walton & A. Flynn

433–440

Pollock Halls, 18–19 March 2013

Conference on ‘Polyunsaturated fatty acid mediators: implications for human health’

Symposium 2: PUFA mediators: role in disease process

Deciphering the role of *n*-3 polyunsaturated fatty acid-derived lipid mediators in health and disease

M. Spite

441–450

Symposium 3: Cannabinoids in human health

PUFA-derived endocannabinoids: an overview

M. Grazia Cascio

451–459

Endocannabinoid system as a potential mechanism for *n*-3 long-chain polyunsaturated fatty acid mediated cardio vascular protection

C. L. Wainwright & L. Michel

460–469

Proceedings of the
Nutrition
Society

Editor in Chief
Associate Professor M. O'Sullivan
Deputy Editor

Forthcoming topics to be featured in *Proceedings of the Nutrition Society* for 2014 (vol. 73):

February/May issues

- Childhood nutrition and obesity: current status and future challenges
(Above proceedings were presented at the NS meeting at the Dublin Institute of Technology, 19–21 June 2013)
- Nutrition and healthy aging
(Above proceedings were presented at the NS meeting at Newcastle University, 15–18 July 2013)

August issue

- Sustainable Diet and Food Security
(Above proceedings were presented at the joint meeting between the Belgian Nutrition Society, the Société Française de Nutrition and the NS at the Faculté de Médecine, Lille, 28–29 May 2013)
- 5th International Nutrition Society Symposium
(Above proceedings were presented at the Mega Evento Nutrição in Sao Paulo, Brazil, 3–5 October 2013)

November issue

- Diet, gut microbiology and human health
(Above proceedings to be presented at the NS meeting at the Royal College of Surgeons, London, 11–12 December 2013)
- Irish Section Postgraduate Symposium
(Above proceedings to be presented at the NS meeting in Dublin, 13–14 February 2014)

Original Communications

- Changing dietary behaviour: physiology through to practice
(Above proceedings to be presented at the NS meeting at the University of Ulster, 18–20 June 2014)
- Carbohydrates in health: friends or foes?
(Above proceedings to be presented at the NS meeting at Glasgow University, 14–17 July 2014)
- Nutrition and age-related muscle loss, sarcopenia and cachexia
(Above proceedings to be presented at the NS meeting in London, December 2014)

Special sales:

This journal accepts advertisements and inserts. We also provide bulk reprints of suitable papers to meet teaching or promotional requirements. Please contact Katy Christomanou at Cambridge University Press for further details.

Subscription information:

Proceedings of the Nutrition Society is an international journal published by Cambridge University Press on behalf of The Nutrition Society as four issues per year. Symposium papers are published in February, May, August and November; Original Communications are published online (only).

Annual subscription rates:

Volume 72, 2013 (4 issues):

Internet/print package: £570/\$1111 Americas only/
€909 EU only

Internet only: £428/\$834 Americas only/€668 EU only

Japanese Agent: Maruzen Company Ltd, PO Box 5050,
Tokyo International, 100-31, Japan.

Back volumes are available. Please contact Cambridge University Press for further information.

Claims for non-receipt of journal issues will be considered on their merit and only if the claim is received within six months of publication. Replacement copies supplied after this date will be chargeable.

Despatch: deliveries outside the UK are by ASP Print-flow Airsaver unless other arrangements are made.

Customers requiring airmail delivery should indicate clearly their requirements and add an additional 10% to the relevant subscription price.

US POSTMASTERS: please send address corrections to *Proceedings of the Nutrition Society*, Cambridge University Press at the New York address.

Directions to Contributors are available from the Society at the address below or can be found on the Society's website at <http://www.nutrition-society.org> (concise Directions to Contributors can be found inside the back cover).

Offprints: The authors (or main author) of an accepted paper will receive a free PDF file of their paper. Paper offprints are available for a fee and should be ordered at proof stage. No page charges are levied by this journal.

Copyright: As of July 2000 the copyright of all articles submitted to the *Proceedings of the Nutrition Society* is retained by the authors or their institutions. For articles prior to this date permission for reproduction of any part of the journal (text, figures, tables or other matter) in any form (on paper, microfiche or electronically) should be sought directly from the Society, at: The Publications Office, The Nutrition Society, 10 Cambridge Court, 210 Shepherds Bush Road, London W6 7NJ, UK.
