Can J Neurol Sci. 2016; 43: 461

doi:<http://dx.doi.org/10.1017/cjn.2016.30>

Aditya Bharatha's disclosures statement in "Mechanical Thrombectomy in Acute Ischemic Stroke: A Systematic Review" by Lambrinos et al. was originally published with errors concerning an educational grant. Dr. Bharatha's corrected and clarified disclosures statement appears below:

AB previously received an unrestricted educational grant from Novartis to support the activities of a research fellow in multiple sclerosis (unrelated to this publication).

We apologize for any confusion.
