

General Notes

European Society of Head & Neck Radiology 10th Annual Meeting

The European Society of Head and Neck Radiology was founded in Antwerp in 1987. Annual Meetings are held in a different European country in rotation with a joint meeting with the American Society of Head and Neck Radiology on alternating sides of the Atlantic every third year. Last year's meeting was in Groningen in the Netherlands, 12–14 October 1995. This year it is the first meeting in England at Warwick University, Coventry, 31 August–3 September.

ENT UPDATE 1996

31 October 1996

At The Royal College of Physicians London.

Organised by
A. Narula, FRCS
R. Dhillon, FRCS

RESIDENT'S FORUM

Preliminary Call for Papers.

A meeting of Continuing Medical Education will be held on Thursday 31st October at the Royal College of Physicians, a day prior to the Section Meeting at the RSM.

Submissions for case presentations by junior medical staff, especially Basic Surgical Trainees are invited. A series of 10 minute clinical reviews with slide illustrations of radiology, audiology etc., is planned.

Further details are available from:

Mr L M Flood, FRCS
Consultant ENT surgeon,
North Riding Infirmary,
Newport Road,
MIDDLESBROUGH,
Cleveland.

2nd Dundee Course in Middle Ear Surgery 23rd-24th September 1996

Surgical skills Unit at
Ninewells Hospital and Medical School, Dundee.

A two day course aimed at Senior Registrars and Registrars. The course will cover the principles and practices of stapedectomy and ossiculoplasty supported by tutorials, discussions, videos and practical sessions. The participants will be given "hands on training" on specially designed and temporal models during the practical sessions.

The Faculty will include Mr R. Mills, Dundee, Mr Brian O'Reilly, Glasgow, Mr William McKerrow, Inverness and Mr Alistair Kerr, Edinburgh.

Registration fee is £325 to include all course materials, lunches and course dinner.

Further details and registration form are available from Julie Struthers, Unit Co-Ordinator, Surgical Skills Unit, Ninewells Hospital and Medical School, Dundee DD1 9SY.

CALL FOR PAPERS

Private Practice Software

Debtor Management a Problem..?
Accountancy Changes Excessive..?
Secretary Deluged with Paperwork..?
Accountancy Software Too Complex or Inflexible..?

Not if you are using Practice Manager..!

The UK's Leading Private Practice Software Package.

- Written specifically and exclusively for private practice, genuinely easy-to-use.
- Fast and accurate billing using the licensed BUPA coding system.
- Fully integrated with commercial word processors, Practice Manager will significantly reduce secretarial workload. No more repeat typing of information!
- Automated, personalised debtor management in minutes as opposed to hours or even days - increases cash-flow and reduces bad debts.
- Individually tailored and configured to closely reflect the professional image you wish to portray on your printed output.
- Professional on-site training, backed by the highest possible level of ongoing support and continued development.

DGL have taken the "Pain" out of computerisation for over 700 Practice Manager users ranging from individual consultants through to major health care groups including BUPA, Nuffield and BMI.

Your private practice can benefit from Practice Manager together with the support, security and backing of DGL - the UK's leading supplier of private practice software.

Take the first step to increasing the efficiency and profitability of your private practice.

Ring today for a FREE no-obligation demonstration or to receive a detailed brochure.
