Converging Paths for Education and Clinical Practice

British Anaesthetic and Recovery Nurses Conference (*BARNA 2012*)

Saturday 10 November 2012 Royal College of Surgeons, London, UK

Come and be part of our re – launch!

BARNA 2012 is a niche educational forum focused specifically on the field of anaesthetic and recovery nursing. BARNA is the only association that provides education exclusively for this specialty, so the conference is the perfect event for you. It provides an excellent opportunity to network with colleagues from around the world and to enhance your clinical expertise.

Some of the Cutting Edge Topics to be Discussed and Analysed:

| | | |
|--|--|---|
| Post operative pain management in children | Management of the ventilated patient, incorporating blood gas analysis | Staffing in the PACU: An intractable problem? |
| Management of the elderly patient with multiple co-morbidities | Day Case Patient anxiety | Massive obstetric haemorrhage: Not to be underestimated |
| Malignant hyperthermia | Clinical decision making in the PACU: the role of risk assessment | Understanding TAP blocks: |

Join in this interdisciplinary and interactive gathering that will attract anaesthetic and recovery nurses, ODP's and other allied health professionals involved in the provision of care in this specialty. This is THE meeting for any professional who is part of a unit where anaesthesia and recovery takes place, both within the private and NHS sectors.

To learn more about our conference, programme and venue, visit: www.barna2012.com

For further details regarding the meeting, please contact the Organising Secretariat at the address below:
Kenes UK Ltd, Chesterfield House, 385 Euston Road, London NW1 3AU
