Payments should be made out to 'Aureal Publications' and sent to the business manager, to whom all enquiries should be addressed. Advice to potential contributors:

The language of publication is English. Quotations in Latin or Greek should be accompanied by a translation, except where the quotation consists of a word or short phrase the meaning of which is explicit in the context.

To avoid delays in publication the proofreading will be done by the editor on the basis of the copy sent to him. Articles should therefore be typed, although legible hand-writing is permitted for Greek quotations.
