**FULL AND FAST REFERENCE
IN POLITICAL SCIENCE ?
TRULY INTERNATIONAL COVERAGE ?**

ISSN 0020 - 8345

IPSA TRIES HARD !

Do you have easy access to the hundreds of journals which publish articles in political science, public administration and international relations all over the world? At a time when many libraries must take a close look at their budgets, can you and your students dispense with the ever fuller and faster services provided by *INTERNATIONAL POLITICAL SCIENCE ABSTRACTS*? Can you afford to take a narrow or parochial view of the discipline?

A non-commercial journal published bimonthly by the International Political Science Association itself, the *Abstracts* provides summaries of articles in both specialized and non-specialized journals, including major yearbooks. Articles in English are abstracted in English; articles in other languages (approximately 30%) are abstracted in French, with all titles translated into English. From 1,450 abstracts in 1968 the progress has been to 5,105 abstracts in 1979. Each issue carries a detailed subject index and a list of the 600 periodicals examined; the final issue of each annual volume contains a cumulative subject index and an author index. *Back volumes are again available (from vol. 1, 1951).*

Your own Library should have a full set of the *Abstracts*. The institutional subscription for 1980 costs French Francs 500 (approximately \$ 122, £ st. 53). Individuals may subscribe at a reduced rate of F.F. 150 (approximately \$ 36, £ st. 16). Specimen on request.
