

Essays in **Criticism**

A Quarterly Journal of Literary Criticism

Edited by Stephen Wall & Christopher Ricks

Founded in 1951 by F. W. Bateson, **Essays in Criticism** soon achieved world-wide circulation, and is today regarded as one of Britain's most distinguished journals of literary criticism. **Essays in Criticism** covers the whole field of English literature from the time of Chaucer to the present day. The journal maintains that originality in interpretation must be allied to the best scholarly standards. Whilst always pursuing new directions and responding to new developments, **Essays in Criticism** maintains a balance between the constructive and the sceptical, giving the journal particular value at a time when criticism has become so diversified.

Italian Futurist Theatre, 1909–1944

GUNTER BERGHAUS

Italian Futurist Theatre provides an overview of the theatrical activities of the Italian Futurist movement, headed by F. T. Marinetti. It analyses the theory and practice of Futurist performance, covers the theatre work of all leading artists and writers of the movement, and discusses the main aims and achievements of their theatrical experiments. The main focus of the study is directed towards reconstructing the performance history of Futurist theatre. But it also incorporates aspects of dramatic writing, stage and costume design, theatre architecture, dance and opera, and is heavily illustrated.

Samuel Beckett and Music

Edited with an introduction by
MARY BRYDEN

Foreword by **EDWARD BECKETT**

Samuel Beckett, one of the century's most original playwrights and novelists, was also passionately interested in music. He once told a friend that all his work had been written for a voice. *Samuel Beckett and Music* is a collection of essays, most written especially for the volume, which consider this aspect of his work. In it, Mary Bryden brings together a number of leading composers and academics who analyse their response to Beckett's intense musicality.

The Oxford Shakespeare

Henry IV, Part 2

Edited by **RENÉ WEIS**

This new edition of one of Shakespeare's greatest history plays offers a freshly considered text fully alert to its intense theatrical aspects. A helpful Introduction discusses the play's structure, language, and performance history, and the notes provide an illuminating commentary on details of the text.

0-19-812364-7, 296 pp., 10 halftones of historic and modern stagings of the play, Clarendon Press, February 1998 £45.00

The Oxford Shakespeare

Cymbeline

Edited by **ROGER WARREN**

One of Shakespeare's final works, *Cymbeline* uses virtuoso theatrical and poetic means to dramatize a story of a marriage imperilled by mistrust and painfully rebuilt, in a context of international conflict. This edition emphasizes the play's theatrical impact and pays close attention to its complex, evocative language.

0-19-812927-0, 288 pp., 11 illustrations of the text and the play in performance, plus music for 'Hark, hark the lark', April 1998 £40.00

Characters and Authors in Luigi Pirandello

ANN HALLAMORE CAESAR

Luigi Pirandello (1867–1936) is best known in the English-speaking world for his radical challenge to traditional Western theatre with plays such as *Six Characters in Search of an Author*. This book argues for the centrality of the character in all of Pirandello's writings - novels, short stories, and essays as well as plays. It explores the different ways in which his fictional and dramatic characters struggle to sustain an identity of their own, tell their life-stories, and assert themselves before their most prominent antagonist, the author himself.
