Cambridge Studies in International and Comparative Law

Established in 1946, this series produces high quality, reflective and innovative scholarship in the field of public international law. It published works on international law that are of a theoretical, historical, cross-disciplinary or doctrinal nature. The series also welcomes books providing insights from private international law, comparative law and transnational studies which inform international legal thought and practice more generally.

SETTING THE STANDARD IN ONLINE LEGAL RESEARCH

Oxford International Organizations

Primary Materials. Essential Analysis. Expertly Linked.

Discover a new online database of materials and analysis relating to the law of international organizations.

Oxford International Organizations (OXIO) collects and analyses primary materials on international organizations, ranging from their constituent instruments, resolutions, agreements with host states, to national and international court decisions and states' declarations and policy statements. The resource includes materials on lesser-known and regional organizations as well as well-known ones such as the UN, WHO, IMF, and World Bank.
