CONTENTS OF No. 182.—JULY, 1897.

PART I.—ORIGINAL ARTICLES.

- John Sibbald, M.D.—Gheel and Liereux, the Asylum-Colonies for the Insane in Belgium.
 W. Julius Mickle, M.D.—Atypical and Unusual Brain-Forms, especially in Relation to Mental Status: A Study on Brain-Surface Morphology.
 J. R. Gasquet and John A. Cones.—Age in Relation to the Treatment of Melancholia.
 J. H. Skeen, M.B.—Note on the Use of Sulphate of Duboisin.
 W. Henry Kesteven, M.R.C.S.—Habit, as a Morbid Mental Condition, and Its Treatment.
 J. G. Soutar.—Recoveries from Mental Disease.
 H. Rayner, M.D.—Housing the Insane.
 T. Outterson Wood, M.D.—The Asylum Trained and Certificated Nurses of the Association.
 Clinical Notes and Cases.—Cranlectomy for Idiocy, with Notes of a Case; by T. TELFORD-SMITH, M.D.—Mania with Amaurosis and Paralysis; Suspected Giloma; by W. J. VINCENT, M.B.—Hysterical Hemiplegia and Aphonia with Mental Symptoms; by S. H. R. MONTGOMERY, M.B.
 Occasional Notes of the Quarter.—The Diamond Jubilee.—Certificated Attendants and the Royal British Nursing Association.—Nursing in Belgian Asylums.—Aphasia and Will Making.—Temporary Treatment of Incipient Insanity.—Lunacy Act Amendment Bill.—The Alleged Increase of Lunacy in England and Wales.

PART II.—REVIEWS.

- The Pathology and Treatment of Neurasthenia; by Prof. O. BINSWANGER.—I Sogni e il Sonno nell' Isterismo e nella Epilessia; by Dr. SANTE DE SANCTIS.—Juvenile Offenders; by W. D. MORRISON.—Alkohol, Trauma und Epilepsie; by Dr. WILDERMUTH; Kliniske og Aetologiske Studier over Psykiske Udviklingsmangler hos Børn; af CARL LOOFT.—Staat und Kirche in der praktischen Irrenpflege; von Prof. SOMMER.—Psychiatrie als Examensfach; von Prof. SOMMER.—Soemmerings Lehre vom Sitz der Seele; von ROBERT SOMMER.—Eine Methode zur Untersuchung sinner Ausdrucksbewegungen.—Einfluss der Rasse auf die Häufigkeit und die Formen der Geistes und Nervenkrankheiten; by Dr. med. et phil. GEORG BUSCHAN.—Das Conträre Geschlechtsgefühl; von HAVELOCK ELLIS und J. A. SYMONDS.—Deutsche Original-Ausgabe, besorgt unter Mitwirkung; von Dr. HANS KURELLA.—Uranisme et Unsexualité; Etude sur différentes manifestations de l'instinct sexual; par MARC ANDRE RAFFALOVICH.—Contribution à l'Etude de l'Atrophie Musculaire progressive, type Duchenne-Aran; par le Dr. J. B. CHARCOT.—The Pathology of the Blood in the Insane; by WM. H. HARRISON, M.D.—On the Plans of Modern Asylums for the Insane Poor; by JOHN SIBBALD, M.D.—Notes on Books.

PART III.—PSYCHOLOGICAL RETROSPECT.

- Therapeutic Retrospect; by HARRINGTON SALISBURY, M.D.—American Retrospect; by C. HUBERT BOND, M.D.—Italian Retrospect; by W. FOND ROBERTSON, M.D.—Retrospect of Criminal Anthropology; by HAVELOCK ELLIS.—Neurological Retrospect.—Asylum Reports.—Craig Colony and Chalfont Colony for Epileptics.—Transactions of the American Medico-Psychological Association.

PART IV.—NOTES AND NEWS.

- General Meeting of the Medico-Psychological Association.—Meetings of the Scottish, Northern and Midland, South-Eastern, and South-Western Divisions.—Bath and Bristol Branch of the British Medical Association.—Wounds and Bruises in the Insane.—A Scheme for the Registration of the Results of Thyroid Treatment in Mental Disorders.—Parliamentary Intelligence.—Abstract of the Lunacy Acts Amendment Bill, 1897.—Abstract of the Poor Law Officers' Superannuation Act, 1896.—The Lunacy Board of Ireland.—Medico-Legal Cases.—Maintenance of Pauper Lunatics.—Childhood Society.—Care of the Feeble-Minded.—Mr. W. J. Corbet, M.P., and Lunacy Reform.—Glasgow District Asylum at Gartloch.—Dumfries Royal Asylum.—The Cairo Asylum.—Dr. Bodington.—Correspondence.—Obituary.—The late Dr. C. Lockhart Robertson.—The Hack Tuke Memorial.—Notices.—Appointments, etc.

CONTENTS OF No. 183.—OCTOBER, 1897.

PART I.—ORIGINAL ARTICLES.

- T. W. McDowall, M.D.—The Presidential Address.
 H. Hayes Newington, M.R.C.P.Ed.—Some Mental Aspects of Music.
 Eric France, M.B.—Tuberculosis in the Insane; its Prophylaxis.
 W. F. Robertson, M.D.—The Normal Histology and Pathology of the Neuroglia (in relation specially to Mental Diseases).
 Robert Jones, M.D.—Electric Lighting in Asylums, with some General Suggestions, including Details of the Installation at the London County Council's Asylum, Claybury.
 W. Julius Mickle, M.D.—Atypical and Unusual Brain-Forms, especially in Relation to Mental Status: A Study on Brain-Surface Morphology.
 F. W. Mott, M.D.—On some points concerning the Degeneration of the Neuron.
 Edwin Goodall, M.D.—An Exact Method of Recording Deformities of the Hard Palate.
 Dr A. W. Campbell.—Abstract of a Demonstration on the uses of Formol in the Neurological Laboratory.
 On Cases of Melancholia in Hospitals for the Insane; by a Privileged ex-Patient.
 Clinical Notes and Cases.—Notes of some cases of Folie à Deux in several Members of the same Family; by OSCAR WOODS, M.D.—Sudden Death from Rupture of a Thoracic Aneurism in a Case of Dementia; by THOMAS B. WORTHINGTON, M.D.—Case of General Paralysis, commencing with a Period of Melancholia, and terminating very rapidly; reported by E. HOSHOUSE, M.D.—A Case of Chronic Mania, with Notes on Treatment; reported by KERRI CAMPBELL, M.B.—A Case of Epileptic Idiocy, associated with Diffuse Lipomata, Ichthyosis, and Nævi, treated with Thyroid Extract; Improvement; by NATHAN RAW, M.D.
 Occasional Notes of the Quarter.—The Insane in India.—Lunacy Legislation.—Attacks on Private Asylums.—Beri-beri in the Richmond Asylum.—The Annual Meeting.—The Montreal Meeting.—The Moscow Meeting.—Lunacy Legislation in Cape Colony.—Increase of Members.

PART II.—REVIEWS.

- Les Somnambules extra-lucides—leur influence au point de vue du développement des Maladies Nerveuses et Mentales; par Le Docteur LAURENT DE PERRY.—Morphinomanie et Morphinisme—mœurs, symptômes, traitement, médecine légale; par le Dr. PAUL ROBAT.—Le Délire Chronique à Evolution Systématique; par le Dr. MAGNAN et le Dr. P. SERIEUX.—Recherches Cliniques et Thérapeutiques sur l'Épilepsie, l'Hystérie et l'Idiotie; par BOURNEVILLE.—The Insane Poor in Private Dwellings and Licensed Houses; by J. F. SUTHERLAND, M.D.—L'Épilepsie; par le Dr. JULES YOSSIN.

PART III.—NOTES AND NEWS.

- Annual Meeting of the Medico-Psychological Association.—The Annual Dinner.—Omission.—Correction.—The Moscow International Medical Congress.—A Visit to a Russian Lunatic Asylum, by Dr. Shuttleworth.—Recent Medico-Legal Cases.—Parliamentary Intelligence.—The Richmond Asylum.—Superannuation at the Cumberland and Westmorland Joint Lunatic Asylum.—Medico-Psychological Nursing Certificates at Claybury Asylum.—Ireland on Idiocy.—Male Nurses' (Temperance) Co operation.—Assault on Dr. Merson.—The Library.—Obituary.—Resignations.—Boundaries of the English Divisions of the Association.—Examination for the Certificate in Psychological Medicine.—Winner of the Gaskell Prize.—Examination for the Certificate in Nursing and Attending on the Insane.—Notices of Meetings.—Appointments.—Index to Vol. xliii.

JOURNAL OF MENTAL SCIENCE.

CONTENTS FOR JANUARY, 1898.

PART I.—ORIGINAL ARTICLES.
