

# THE BRITISH SOCIETY FOR THE HISTORY OF SCIENCE

**Membership** of the Society, which includes a subscription to *The British Journal for the History of Science*, is open to all persons approved by the Council of the Society and elected at an ordinary meeting (formalities required by the UK Companies Act). The annual subscription for the membership year 1986–1987 is £13.50 (US \$27.00 in the Americas, Canada and Japan) or for students, £6.75 (\$13.50). Applications for membership should be made on a form which is available from the Society's Executive Secretary at the address below.

**Meetings:** The Society mounts an ambitious programme of meetings. The pattern is flexible, the only fixture being the three day summer meeting, held at a different British University or Polytechnic each year. About four other meetings, lasting for between one and three days, are held during the year, sometimes devoted to a clearly-defined theme or an important anniversary, and often arranged in conjunction with other scholarly societies.

The *British Journal for the History of Science* is the official organ of the Society. All correspondence on the contents of the *Journal* should be addressed to the Editor, Dr David Knight, Department of Philosophy, University of Durham, 50 Old Elvet, Durham DH1 3HN, England.

**Books for review** should be sent to the Reviews Editor, Dr John Hendry, 58 Canfield Gardens, London NW6 3EB.

**Advertising:** Contact the Advertising Department, Blackwell Scientific Publications, Osney Mead, Oxford, OX2 0EL.

**Other publications:** BSHS Monograph Series is designed to allow the publication of monographic studies in the history of science quickly and cheaply.
