

BULLETIN

Volume 21 (1980)

of the Australian Mathematical Society

Number 2

"Please note a variation in the intended rate of production of the Bulletin. ONLY ONE volume (volume 20) will be published in 1979, although subscribers paid for two volumes (volumes 20 and 21). This change will be rectified in 1980 when volumes 21 and 22 will appear AND subscribers will be charged for VOLUME 22 ONLY in respect of that year. We much regret any inconvenience caused to our customers by the above re-scheduling, and would like to emphasize that these changes have been made necessary by causes beyond our control".
