

# General Notes

## “PROF. STELIO CRIFÒ” INTERNATIONAL PRIZE

IN memory of its former President, Prof. Stelio Crifò, the Italian Audiology Society has instituted an international prize of 5 million lire (approximately 4000 U.S. dollars). This prize will be awarded on 26 October 1983 during the XVIII National Congress in Rome.

The prize will be awarded for unpublished research carried out by a single worker (or as a joint work) that makes a truly positive contribution to any one of the following subjects:

Applied acoustic physics—Psychoacoustics—Embryology of the auditory system—Microscopic or ultrastructural anatomy of the auditory system—Biochemistry or histochemistry of the auditory system—Physiology or electrophysiology of the auditory system—Experimental or clinical deafness—Diagnosis of deafness—Medical treatment of deafness—Surgical treatment of deafness—Prosthetic treatment of deafness.

The papers must be written in English.

Entries will be accepted only from persons aged 35 or under on 26 October 1983.

Each paper must be identified by a pseudonym and sent (6 copies) to reach the following address:

Prof. Giovanni Rossi  
Head, Department of Audiology  
3, via Genova-10126 Torino (Italy)

not later than 30 June 1983.

Each paper must be accompanied by a sealed envelope bearing the pseudonym identifying the work. This envelope must contain the first name, the surname and the address of the author(s) and an official document showing the age(s) of the author(s).
