It is hoped to establish a Marian Association of Prayer and Penance for Nurses and Patients and also to prepare for a National Association of Nursing Orders.

(The synopsis of this course will be available later this year.)

V

A COURSE FOR PARISH SISTERS

Proposed for February 6-11, 1956

In view of the increasing possibilities of Social Work in this country it has been suggested that sisters engaged in parish work would profit by a course on the social teaching of the Church and the Parochial Possibilities in England today—especially as Religious Life is one of the strongest answers to Communism. The lecture on this subject during the Superiors' course will pave the way for this course next year, and it is being arranged at the request of some Superiors.

THE CHARGE FOR THESE COURSES will be £1 per day (inclusive of board, lectures, etc.), of which 10s. must be sent in advance as Booking Fee to the Warden.

For further particulars of these courses those interested should write to The Warden, Spode House, Hawkesyard Priory, Rugeley, Staffordshire.

THE PRIESTHOOD AND PERFECTION

By

FR R. GARRIGOU-LAGRANGE, O.P.

(De Sanctificatione Sacerdotum)

Translated by

FR E. HAYDEN, O.P., S.T.L., Ph.D., H.Dip.

'Father Garrigou-Lagrange needs no introduction as theologian or as ascetic writer. This work . . . shows us the author's mature ideal of the priesthood. . . . Its teaching is of the general and unchanging basis of the priesthood with adapted reflections. Constant quotations from St Thomas ensure the solidity of the doctrine.'
