NOTICE TO AUTHORS

American Antiquity (AAQ) is a peer-reviewed, quarterly journal and is considered the premier journal of North American archaeology. AAQ is devoted to archaeology regionally conducted in the Western Hemisphere (North America) inclusive of diverse archaeological methods and theory pertinent to the study of North American archaeology and closely related subjects with global impact. Papers on Latin American archaeology addressing broad methodological, theoretical, or comparative issues may be accepted by either journal after consultation with the editors. Authors submit manuscripts to the editor for consideration as ARTICLES, REPORTS, COMMENTS, or FORUM essays. REVIEWS and BOOK NOTES are solicited by the respective associate editor. OBITUARIES should be submitted to the editor, *The SAA Archaeological Record*, for publication (see *SAA Bulletin* March/April 1996, p. 7, for further details).

Authors are required to submit manuscripts electronically through Editorial Manager® (<http://www.editorialmanager/aaq>). Detailed information on policy, style, and technical matters of manuscript preparation is given in the “Editorial Policy, Information for Authors, and Style Guide for *American Antiquity*, *Latin American Antiquity*, and *Advances in Archaeological Practice*,” which can be accessed at <https://www.saa.org/publications/american-antiquity>.

The editor reserves the right to evaluate manuscripts (with or without peer review) for appropriate subject matter, quality, length, and compliance with the style guide. Manuscripts may be returned to authors if they fail to meet expectations or conform to these guidelines. Manuscripts are evaluated by the editor in consultation with peer referees, as appropriate. The editor has the final responsibility for all decisions regarding manuscripts. The review process generally takes a minimum of two to four months. Authors will be notified as soon as a decision is reached to accept (outright or with revisions) or reject a manuscript.
