

**A Tale of Two Murders**  
Passion and Power  
in Seventeenth-Century France  
**JAMES R. FARR**

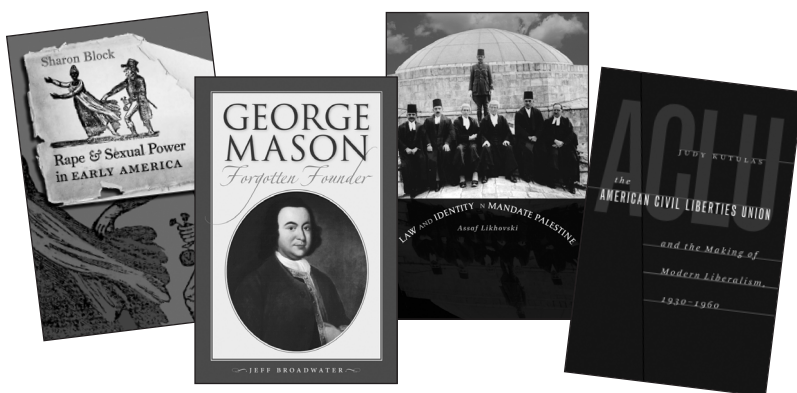

*A Tale of Two Murders* is a gripping account of the “Giroux affair”—two murders allegedly committed in 1638 by Philippe Giroux, a judge in the highest royal court of Burgundy—and of the trials which followed.

“Dazzling beauty, spousal abuse, passionate love, wanton covetousness, lust, conspiracy, poison, murder, vengeance: what an engaging surprise to discover that one of America’s foremost scholars of early modern European society, James R. Farr, is also a beguiling storyteller. A riveting drama, his book is at the same time a masterful analysis of emotion and affect, rites and rituals, elite formation and reproduction, family and lineage strategies, gender construction, the discourse and practice of the law, political culture, relations of domination and subordination, the tensions between center and periphery, and the myriad ways in which power worked in seventeenth-century France.”—Steven Laurence Kaplan, author of *The Bakers of Paris and the Bread Question, 1700–1775*

240 pages, 15 b&w photos, paper \$21.95

## Rape and Sexual Power in Early America

**SHARON BLOCK**

"Model integration of social, legal, and cultural history. . . [Block's] distinctions between legal rape and social coercion, her reading of the perilous journey from act to accusation, and her account of the racialization of rape expose the sexual dynamics of power in early America."

—Estelle Freedman, *Stanford University*  
*Published for the Omohundro Institute of Early American History and Culture, Williamsburg, Virginia*

296 pp. \$45.00 cl / \$19.95 pa

## George Mason, Forgotten Founder

**JEFF BROADWATER**

The first full biography of the "Father of the Bill of Rights."

"George Mason was the most respected founder in his own time who is virtually invisible in our time. This book goes a long way toward closing the gap."

—Joseph J. Ellis, author of *Founding Brothers*

400 pp. \$34.95 cl

## Law and Identity in Mandate Palestine

**ASSAF LIKHOVSKI**

A new paradigm of law, colonialism, and nationalism.

"A bold, rich, and intellectually pathbreaking study of the interaction between law and identity in mandatory Palestine.

Through a deep immersion in the legal history of *all* the actors involved, Likhovski brings to life the complexities and contradictions of a fascinating historical reality often treated only through polemical lenses."—Michael Stanislawski, *Columbia University*

*Studies in Legal History*

328 pp. \$49.95 cl

## The American Civil Liberties Union and the Making of Modern Liberalism, 1930–1960

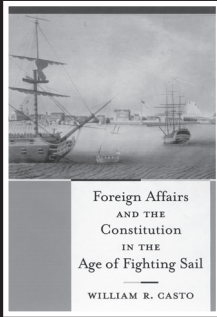

**JUDY KUTULAS**

"A beautifully researched and intelligent discussion of the institutional evolution of the nation's most important civil liberties organization."—Ellen Schrecker, author of *Many Are the Crimes*

320 pp. \$35.00 cl

## FOREIGN AFFAIRS AND THE CONSTITUTION IN THE AGE OF FIGHTING SAIL

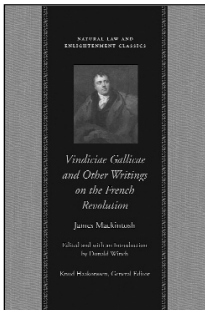

William R. Casto

Setting his examination of the Neutrality Crisis of 1793 against the fiery backdrop of marauding French privateers, the French foreign minister's diplomatic fiasco, and pro-French rallies in the port of Charleston, South Carolina, William R. Casto brings to life the first test of President George Washington's administration to establish a national foreign policy and to implement the separation-of-powers principles of the U.S. Constitution. 200 pp., cloth, \$34.95

## Now Available: A Modern Edition of *Vindiciae Gallicae*

## Vindiciae Gallicae and Other Writings on the French Revolution

By James Mackintosh

Edited and with an Introduction by Donald Winch

**V***indiciae Gallicae* was James Mackintosh's first major publication, a contribution to the debate begun by Edmund Burke's *Reflections on the Revolution in France*. The success of Mackintosh's defense of the French Revolution propelled him into the heart of London Whig circles. However, following the September 1792 massacres Mackintosh, along with other moderate Whigs, revised his opinions and moved closer to Burke's position.

The Liberty Fund edition also includes Mackintosh's *Discourse on the Law of Nature and Nations*, *Letter to William Pitt*, and *On the State of France in 1815*.

January 2006. 6 x 9. 341 pages.
